Courses taught: History of English language, Linguistics 1&2, English Morphology and Syntax, Composition 2, Essay Writing, Language and Society, Advanced Writing, Diploma, Writing 1, Reading 2, Morphology and Syntax, Reading 1, Application in translation and office work

Research Interest: Theoretical linguistics with more attention paid to comparative syntax. My ultimate goal is to find out more details about the nature of Saudi dialects and other Arabic vernaculars in terms of syntactic theories, by comparing these dialects and their constructions to study what they have in common and how they differ.
